Risk Disclosure Statements for Foreign Exchange

Foreign exchange are subject to exchange rate risk which may result in gain or loss. The fluctuation in the exchange rate of foreign currency may result in losses in the event that customer converts the foreign currency into HKD or other foreign currencies. RMB is not freely convertible at present and conversion of RMB may be subject to certain policy, regulatory requirements and/or restrictions (which are subject to changes from time to time without notice). The actual conversion arrangement will depend on the restrictions prevailing at the relevant time. Exchange controls imposed by the relevant authorities may also adversely affect the applicable exchange rate.
